Chief EMS Division Dave Stamey

## Chief Stamey:

As you know, the Seventh District Vol. Rescue Squad currently has a contract with Chesapeake Medical Transport Services to provide supplemental staffing for our station from Monday – Thursday, 0500 to 1500.

In response to the St. Mary's County Governments efforts to supplement and assist EMS volunteers with EMS response, the Seventh District VRS is requesting staffing assistance similar to our current contract.

We are requesting 2 EMTs 5 days a week, 12 hours a day, schedule to be Monday – Friday, 0500 to 1700. We will assist in this partnership by providing authorization for the additional staff to operate the Seventh District Vol. Rescue Squad's ambulance while on duty.

Sincerely,

Matt Colliflower
